Framery O is perfect for making important calls, participating in video conferences and having a quiet space to focus on demanding tasks. With Framery O you can boost your office's efficiency and comfort. Placing the booths in the middle of the office staff allows you to realize an open plan office without the common noise problems. Due to great sound insulation the booth can be placed right next to the work stations. The acoustic felt and the acoustic polyester wool in the interior absorb sound, making the space also echo-free.

Framery O comes with a wide range of colours and few options for seating and tables. Air ventilation creates fresh and nice working environment. The Product is easy to assemble and relocate when necessary.

A high table and handy bar stools makes this decor option very efficient for short-term sessions. The shape of the desk is suitable for the teamwork of two, private sessions or video conferences. Working with PAL comes with pleasant LED lighting, two power sockets and stylish coat hangers.

Sometimes you need your own space to work without distractions for longer periods of time. The electric table can be adjusted into a sitting or standing position. It also works well with a wheelchair. A handy table, adjustable LED lighting and two power sockets guarantee that your time in the booth is both pleasant and productive.

Betty chairs are comfortable for brainstorming, conversations and reading. A small table is the perfect addition for coffee mugs and small accessories. A special mood is created with LED lighting hanging from the ceiling. Betty's Café comes with two power sockets for loading phones, laptops and more.

Maggie sofas with low backs can be adjusted to many positions. This variation is suitable for meetings, brainstorming and more. The small table can be adjusted into any direction depending on whether you need it for your coffee mug or laptop. The LED lighting and two power sockets take care of your eyes and devices.
