

Its minimalist style and innovative back and seat system permit numerous possibilities both in terms of size and configurations. Two armrests are available; straight and L-shaped.

Low tables and storage units in oak with Viccarbe finish can also be fitted.

The seat is made of foam with various densities for optimum comfort. The cover is removable (except in leather) and the units can be easily disassembled in order to place large units in rooms with limited or difficult access.

#### TECHNICAL INFO

Wood covered in non-deformable polyurethane foam with various densities and polyester fibre.

Cushions filled with sterilised goose and duck feathers with hollow siliconized fibre and anti-dust mite treatment.

Feather-proof cotton cover.

Removable cover.

Leather and imitation leather covers are non-removable.
